DESCRIPTION

Sculptural « Moon System » sofa designed by Zaha Hadid in 2007 for B&B Italia.

Its silhouette resembles a monolithic volume with fluid lines, emblematic of the architect's visionary language. The structure forms a continuous block where curves, seating and extensions seem carved from a single mass, making the piece both ergonomic and expressive.

Fully upholstered in black leather, the sofa includes its separate extension, offering versatile configurations.

Seat height : 14,2 inches
