

Floor Lamp attributed to Hans-Agne Jakobsson circa 1960

€950

REF: 7900

Height: 150 cm (59.1")

Diameter: 42 cm (16.5")

DESCRIPTION

Floor lamp with a patinated brass semi-spherical base supporting a slender central brass stem, topped with a finely crafted stretched silk textile shade. It features a radiating internal structure and careful assembly that emphasizes the slightly domed shape of the diffuser.

The piece stands out for its elegant and balanced proportions.

Provenance: Zurich house fitted with lighting by Hans-Agne Jakobsson.
