DESCRIPTION

Kabuto Office Chair, model OM 5006, designed by Isamu Kenmochi, and produced by Tendo Mokko, Japan, from 1961.

This chair, mounted on four casters, elegant and minimalist, perfectly embodies the fusion of modern design and traditional Japanese craftsmanship. Its curved and ergonomic shape offers optimal comfort, hugging the body for a pleasant sitting experience. The seat is padded with foam and simili-leather for added comfort.

Isamu Kenmochi, originally trained in craftsmanship, played a key role in the rise of Japanese furniture design after World War II. Working with Tendo Mokko, he created pieces that combined simplicity, functionality, and aesthetics. The Kabuto chair is one of his major creations, marking his lasting influence on modern design.

Manufacturer : Tendo Mokko, Japan, circa 1965.
