

Pair of pine stools, Les Arcs, circa 1960

Charlotte Perriand

€1,800

REF: 7255

Height: 46 cm (18.1")

Diameter: 29 cm (11.4")

DESCRIPTION

Pair of pine stools, made in the 1960s for the Les Arcs ski resort in the French Alps.

Each stool features a four-legged rounded structure supporting a slightly curved circular seat. The construction uses through-tenon joinery, adding a refined visual detail to the whole.

Provenance: Les Arcs resort
France, circa 1960
